PRESCRIPTION FOR COM-PLEXION AND SKIN POOD MIXTURE.

The formula given below is said to be the most effective known to science for clearing the complexion and developing shrunken or hollow parts. It is in general use among the French society women who are renowned all over the world for their exquisite complexions, Procure from the druggist the following:

Two ounces of rose water, one ounce spirits of cologne, four ounces sartoin (crystalized).

Put the sartoin into a pint of het water (not boiling) and when dissolved and cooled strain through a fine cloth; then add the rose water and cologne rights. a fine cloth; then add the rose water and cologne spirits.

This is to be applied daily to the face, neck, and bust, and massage thoroughly into the skin. If the treatment is persistently used remarkable results will follow even for the worst complexion or roughest skin. The above formula is inexpensive and makes sufficient of the mixture to last a month.
